Let's clean up the memorial garden and make it accessible to our community.

If interested, please contact: Dianne Bradford 360-751-4160

### A Note from the Manager...

For the latest updates on our water system, please visit the CBHA website. In an effort to be transparent and proactive, we are updating the community with regular water system updates on the website. Please check the CBHA reader-boards for announcements. If you are experiencing discolored or foul-smelling water, please call the CBHA office immediately.

**Please watch your speed when driving through the community.** Roads are slick, and the kids (and deer) are unpredictable. Be a courteous, cautious driver at all times, especially as the weather changes.

Please be aware that any home building, home alterations, and some landscaping projects may require a CBHA permit *before* obtaining a county permit. Check CBHA rules and regulations *before commencing* any building or landscaping projects.

### PARKS & RECREATION

Park restrooms will be closed as of Monday, October 3<sup>rd</sup>. They will reopen May 2023.

## COMMUNITY GARDEN GROUP

This is our 11th year having a community garden in Carlyon Beach, and it is truly a "community" effort. The current group with varying levels of expertise, come together to grow good food for ourselves, and others when there's an abundance. We work together and share the harvest.

We are all learning together, some with personal knowledge, some with research knowledge, and some with "let's try it and see" knowledge. One member wanted to try growing corn, so she bought a few starts, replanted them in pots, and brought a pot down to the garden. Alas, no corn, and in her words, "I won't bug you again to try corn!" Probably a cooler, longer spring didn't help, but tried it, and done!

Like the corn, we also found out that Zucchini isn't always the bumper crop. Very few Zucchini's this year and the ones we got were small. Won't be leaving any on unsuspecting neighbors' doorsteps this year!

And then, if it's not the weather, it's.... Slugs and Bugs! We might have had a decent crop of strawberries if it weren't for the slugs. And they always seem to go for the big, red, ripe ones!

If you're interested in the Garden at the Corner (of Steamboat Island Road and Island Drive), come by some Saturday around 10-10:30 and visit. We'll be there through most of October, harvesting, cleaning up, and planting a few winter crops and garlic for next year!!!

## KOFFEE KLATCH

Our next Koffee Klatch will be **Wednesday, October 12<sup>th</sup>, at 12:30PM** in the CBHA Clubhouse. There will be good treats & lots of coffee and tea along with a spectacular view and good conversations. All members are welcome! There is always room for more friendly neighbors.
